June/July 2010

My Fellow Club Members

As we approach the middle of the year, I would like to stress safety at our club. Thank goodness we have had no gun-related accidents however, I do feel that safety should never be taken for granted. Whether it is keeping your guns unloaded until at the firing line, shooting only into berms, or of course staying hydrated in the 100+ degree weather of Laredo. I remind you take care of yourselves and your fellow shooters.

On another note, I would like to congratulate the LRPC sponsored shooters of the 4-H Club on their successful season. These wonderful boys and girls presented the club with the a beautiful print as a token of appreciation. Please visit the club website to see their "Letters of Thanks" to the club. This is really what our club is all about.

On another note, on Friday July 2, 2010 there will be a LRPC Club Meeting at 7:00pm at the Clubhouse. Please exercise your club duty and attend this meeting. Meetings are usually not more than 45 minutes and are a great time to meet other shooters. As an incentive, we will be providing "Carne Asada" and door prizes for those members attending.

Respectfully

Steve

Multi-Gun Match June 26, 2010

For those of us who have always wanted to shoot a three-gun match but frowned on traveling to Corpus Christi or San Antonio our worries are over. On June 26, 2010, there will be a Multi-Gun Match at 9:00am.

In short, Multi-Gun is similar to IDPA, but now you need a carbine and shotgun. The scenarios will be similar to our IDPA matches.
